

Student Affairs Partnering with Academic Affairs (SAPAA)

HOW CAN YOU GET INVOLVED? HERE ARE SOME WAYS...

MEMBERSHIP & SOCIAL/NETWORKING (MSN) COMMITTEE

- Develop a program to recruit new members through the year
- Plan ways to stay in touch with the membership as new members sign up on the listserve
- Support Regional chairs in sharing ideas to recruit new members and keep them informed as new members sign up for the listserve
- Identify ways in which members can get involved within the KC.
- At the annual NASPA conference:
 - Plan informal networking lunches and dinners
 - Conduct ice breaker for KC business meeting
 - Plan other social events in which SAPAA members can come and interact with one another.
- Recognize SAPAA members for outstanding contributions as well as those who are receiving awards or honors.
- **For more information about MSN (contact Dan Stypa (stypa@usf.edu)).**

TECHNOLOGY COMMITTEE

- Develop strategies to engage SAPAA members through our KC website.
- Coordinate the information and pictures for the SAPAA website
- Communicate with the national office for keeping SAPAA's online presence up-to-date.
- Manage the SAPAA listserve by promoting the listserve to new SAPAA members
- Assist regional coordinators with Listserve information for the regions and to provide them with online support to get the word out about their regional activities.
- Assist all SAPAA leadership with social networking platforms, and come up with ideas for how SAPAA could be better represented on these platforms in the future.
- **For more information, contact Linda Snyder (linda@uci.edu).**

COMMUNICATIONS COMMITTEE

- Publish the quarterly Synergy newsletter for NASPA membership
- Contribute articles to Net Results
- Work with Regional Coordinators to publicize the great work that is happening throughout NASPA in relation to the goals that SAPAA stands for.
- Coordinate and develop a strategy to market SAPAA to the broader NASPA Membership.
- Stay in touch with the Regional chairs and offer promotional items for the regional conference SAPAA use
- Coordinate and develop promotional material for distribution at annual and regional conferences
- **For more information about Communications, contact John Yaun (Yaun@marshall.edu).**

PROMISING PRACTICES AWARD COORDINATION

SAPAA KC RECOGNIZES GREAT PROGRAMS AND SERVICES DEVELOPED BY OUR MEMBERS THAT CONTRIBUTE TO COLLABORATION OR INTEGRATION OF STUDENT AND ACADEMIC AFFAIRS IN COLLEGE OR UNIVERSITY SETTINGS THROUGH ITS PROMISING PRACTICES AWARDS.

- Solicit nominations and plan the award ceremony for Promising Practices Award
 - Develop promotional material for distribution at conference
 - Plan an informal social event/meal to promote the work of members
- **For more information about Promising Practices Awards, contact Laurie Hulcher (Lhulcher@umuc.edu).**

RESEARCH & SCHOLARSHIP COMMITTEE

- Create and update on-line resources including a SAPAA bibliography
- Identify compelling and relevant topics in the SAPAA community that should be shared with the NASPA membership.
- Coordinate the **Promising Practice Awards**
- At the annual NASPA conference: Help promote programs about SAPAA topics and also programs conducted by SAPAA members
- Identify and support research that is occurring on Academic and Student Affairs Partnerships.
- Create a relationship with Faculty resources that can assist the knowledge community in its mission
- **For more information, contact Marguerite Bonous-Hammarth (mbonoush@uci.edu).**
