Session Information

Session 1 and Session 2 are divided into three tracks: Student, K-12, and Higher Education. Each track has three options for attendees to choose from. Attendees can select any session from any track. Sessions will be recorded and the videos will be uploaded after the conclusion of the live event.

Learn more details about each session by reading the Program Descriptions on the conference website.

Presenters

Presenters will be let into their session room by NASPA staff. Staff members will help make sure that they are ready (testing audio/video/screen share) before letting in other attendees.

Presenters will not be able to use polling functions during their sessions through Zoom, so if they plan to use polling they will need to plan on using a third-party platform (such as PollEverywhere or Mentimeter).

Engaging in Appropriate Conduct at NASPA Events

NASPA participants are expected to conduct themselves in all NASPA capacities, events, and settings with consideration, respect, honesty, and courtesy.

It is the policy of NASPA not to discriminate on the basis of race, color, national origin, religion, sex, age, gender identity, gender expression, affectional or sexual orientation, veteran status, or disability in any of its policies, programs, publications, and services. NASPA prohibits discrimination and harassment at any time, including during its events or within publications and online learning communities.

Participants are encouraged to [review the full code of conduct](#) prior to attending NASPA events to promote an inclusive environment that fosters professional development and authentic engagement.

Evaluations

We hope that you will have an engaging and thought-provoking experience and ask that you take a few minutes each day of the conference to complete the evaluation of the day's sessions. The evaluation link will be included in the daily conference emails. We appreciate your feedback and seek to share it with presenters and our planning committees to work and make subsequent conferences more engaging and worthwhile. After completing the evaluation, you can download your certificate of attendance.
