Student Delegate Position

Our organization is unique because of the important leadership role students play. Each BACCHUS Initiatives affiliated peer education group is asked to select one student to serve for the academic year as the Student Delegate for that group. Each recognized member group, through their delegate, will vote on official BACCHUS Initiatives business that will affect our organization for the year to come. In addition, the delegate will receive important communications and information from the regional Student Advisory Committee (SAC) member to pass onto his or her peer education group.

Role of Delegates:

• Delegates will be selected before the start of General Assembly.
  o Each recognized BACCHUS Initiatives affiliate will select one student to serve as the delegate.
  o The advisor of record will receive the delegate job description and present the information to the peer education group.
  o Each peer education group will decide the process for selecting a delegate.
  o The delegate experience is considered an excellent preparation for running for Student Advisory Committee (SAC).

• Delegates will be the voting spokesperson at General Assembly and Spring Conferences
  o Delegates will vote on any issues brought forth at the Delegates meeting during the annual General Assembly.
  o Delegates will cast their peer education group’s vote for the SAC Director positions at General Assembly.
  o In the spring, the delegate will cast their peer education group’s vote for their regional SAC member.

• Delegates will be the main avenue of communication between the SAC and the peer educators on his/her campus.
  o The SAC and delegate will communicate monthly.
    ▪ The SAC will provide national and regional information to the delegate.
    ▪ The delegate will provide information about his/her peer education group to the SAC.
  o The delegate will report back to his/her peer education group the information shared by the SAC.

• Requirements
  o Students chosen to serve as the Delegate must be an active member of a recognized BACCHUS affiliated peer education group.
  o Students chosen to serve as the Delegate must be enrolled as an undergraduate student for the academic year encompassing fall, winter, and spring terms.
