

Student Advisory Committee Application

The Student Advisory Committee (SAC) serves as the student voice of peer education within the Health, Safety, and Well-being Initiatives and the larger constituencies of NASPA. Each of the seven NASPA regions select a representative to work with the SAC Director to build cohesion among affiliates, gather information about affiliate activities for publication in regional and national peer education materials, and promote student interests in the actions of the Health, Safety, and Well-being Initiatives.

The deadline to submit your Student Advisory Committee Application materials is **April 16, 2019**. Please send completed materials to bacchusadmin@naspa.org.
