Leadership & Member Engagement

NASPA SERVE Academy: Each member of the first cohort for the NASPA SERVE (Supporting, Expanding, Recruiting Volunteer Excellence) Academy has been assigned a NASPA mentor (list included as attachment). SERVE Mentors and Mentees will connect for the first time at the annual conference in San Antonio.

Professional Development & Events

I co-facilitated a session at the NASPA AVP Institute in January titled “Getting to the Heart of the VPSA/AVP relationship.” The session featured an opportunity for participants to respond to questions related to the VPSA/AVP relationship, “Family Feud” style. Answers to the Family Feud questions were from a survey of 20 plus VPSAs from across the country.

Planning for the 99th annual NASPA conference is in the homestretch. Details about the 99th conference are contained in the Conference Chair’s report.
