

In 2013-14, the NASPA Foundation invested nearly \$50,000 in the student affairs profession.

Student affairs professionals are more informed because of the research we publish. The NASPA Annual Conference is more accessible because of the scholarships we award. Outstanding student affairs professionals are celebrated because of the awards we confer.

All of this success is thanks to you, our donors.

*Gifts to the Foundation come back to the profession in the form of awards, scholarships and grants. Every gift, no matter the size, directly translates into more research and scholarship funding for the profession! Thank you for making a world of difference.*

*Frank Ardaio, NASPA Foundation Board Chair*

Kevin, Ashleigh, Jonna and Sarah were able to attend the 2014 NASPA Annual Conference with the help of a Rhatigan Fellowship.

I received the Ruth Strang Research Award in 2013 for my research on college women and leadership. The award affirmed my research agenda and encouraged me tremendously, providing encouragement and affirmation that I can do important and useful work in the research arena in Student Affairs. **Kandy Mink Salas, Azusa Pacific University**

The NASPA Foundation gave me an opportunity to experience the incredible student affairs community as a graduate student—not just through attending the conference, but also through having the chance to meet some of the most influential professionals in the field.
