HEROES is a student lead peer health education group, whose goal is to help educate and inform students and employees about health issues that affect our campus community. HEROES aims to increase the awareness and communication within the academic community regarding health-related matter for college students. A few of the health topics we focus on are stress relief, nutrition and fitness, healthy relationships, drug and tobacco awareness, alcohol awareness, and so many more. We have a non-judgmental philosophy and never tell students how to live their lives, but to simply give them the tools and knowledge to make the best choices! Our HEROES events include TGIT’s, Service Saturday’s, Educational Tabling, and larger events such as Step Up Bystander Intervention and Tougher than Tobacco. Being in HEROES can help you build friendships, have the opportunity for leadership skill development, achieve health and peer educator certifications, travel to national and regional conferences, and this all looks great on your resume!

HEROES expectations include attending a week-long training and retreat before classes start, attend weekly meetings, volunteer 4 hours per month, help promote HEROES events on campus, and act as a role model for your fellow MSUB Students.

Primary Function:
Under the direct supervision of Nikki Gwin the SUU Prevention Specialist, Alcohol and Other Drug (AOD) Education, the Level 1 Peer Health Educator will:
• Assist in developing and implementing educational and social programs geared towards education of mental health, physical health, sexual health, healthy decision making skills, depression and suicide prevention, as well as alcohol and other drug issues.
• Assist in wellness campaigns/event overseen by Level 2 Peers and in partnership with various university departments, including Residence Life, SUU Student Activities, Athletics, Counseling and Psychological Services, and the Center for Women and Families.
• Become well versed on wellness and health related topics, including: alcohol and other drug use/abuse, nicotine use, healthy relationships (communication, abstinence, verbal/physical abuse, rape), and personal/mental health (body image, eating disorders, depression, suicide, etc.)
• Serve as a University role model and advocate for responsible and healthy lifestyle choices.

Qualifications:
• Must be a registered Southern Utah University student.

• Must be a role model for responsible and healthy lifestyle choices and enthusiastic about educating peers on wellness issues.

• Must possess strong verbal skills and the desire to present information to peers.

• Must demonstrate the ability to work with individuals and groups.

Duties and Responsibilities:
• Attend all mandatory trainings and meetings.
• Register and attend the University 1020: REAL Peer Training during fall or spring semesters.
• Develop and implement outreach programs and workshops that educate the Southern Utah University community about AOD and health related issues as they relate to college students.
• Assist Level 2 peers in the facilitation of educational and social and wellness presentations and events.
• All other duties as assigned by the Peer Advisor and Level 2 Peers.

Expectations for R.E.A.L. Peer Health Educators:
- Attend all dates with a smiley face 😊.
- Plan, implement, and assist with four campaigns a semester.
- Plan, implement, and assist with four late night events a semester.
- Assist Level 2 peers with at least 2 presentations a semester.
- Actively participate as a member; fulfill tasks/PHE hours as assigned.

E.E.R. Credit: For all new incoming freshmen who are required to earn their EER credits, the R.E.A.L. Peer Program is a great option for earning those credits. SUU’s Experiential Education Requirement (EER) is based on established experiential education pedagogy and best practices. The design and execution of the requirement affords students hands-on opportunities to gain practical experience while achieving a deep and rich understanding of the process of researching, planning, proposing, completing, and reflecting on a rigorous academic experience. These are skills transferable to any professional life. See chapter 14 in your SUU academic catalog for more information.

RI TA Job Posting

Overview:
The Rothenberger Institute (RI) is seeking undergraduate students for positions as Teaching Assistants/Peer Health Educators (TAs) for PubH 1001: Success Over Stress (SOS), PubH 1003: Alcohol & College Life (ACL), PubH 1004: Sexuality Matters (SM), and PubH 1005: Sleep, Eat & Exercise (SEE) during the Spring 2015 semester. SOS, ACL, SM, and SEE are one-credit online courses designed for undergraduate students and are offered on multiple campuses throughout the state. For more information about RI and the courses visit http://www.ri.umn.edu.

The University of Minnesota is an equal opportunity educator and employer. Applicants must complete the online application form and include a resume and cover letter. In your cover letter please state your preference for working with SOS, ACL, SM, or SEE, and, if applicable, the term you were enrolled in any RI course(s). Training for the position will be completed online over winter break and during the first week of the semester.

Interviews will be scheduled starting mid-November.

Job Class: Undergraduate Teaching Assistant II (9513)

Pay rate: $10.67 per hour

Time commitment:
TAs will be expected to work approximately 10 to 15 hours per week. TAs will work with supervisor to determine hours based on employees’ class schedule. Most hours will be completed in the office. Some work can be completed off-site as arranged with supervisor. TAs are expected to occasionally help with events on weeknights and weekends. Training will be required online over the summer with in-person training held the first week of classes with dates and times to be determined.
