# Directions to Morgan State University

## **From any direction via the Baltimore Beltway (I-695)**

Get on I-695 and head toward the northeastern portion of the beltway. Go south at exit 30, Perring Parkway. The Perring Parkway exit is east of the exits for Towson and west of the I-95/I-695 interchange. Go south a few miles on Perring Parkway. It will change to Hillen Road when you see the engineering building on your left.

## **From south of Baltimore via I-95**

Take I-95 north through the Ft. McHenry Tunnel. Get off I-95 at the Moravia Road Exit. (The distance to campus is about 3.5 miles.) You will go through major intersections at Belair Road and then at Harford Road. Moravia Road will become Cold Spring Lane at Harford Road. Cold Spring Lane goes through the middle of campus.

## **From north of Baltimore via I-95**

Continue on I-95 south past the interchange for the beltway, I-695. Shortly thereafter, I-95 will split into I-895 (right two lanes) and I-95 (left two lanes). Go to the right onto I-895. Get off at the Moravia Road Exit. Bear to the right off the exit ramp onto Moravia Road. (The distance to campus is about 3.5 miles.) You will go through major intersections at Belair Road and then at Harford Road. Moravia Road will become Cold Spring Lane at Harford Road. Cold Spring Lane goes through the middle of campus.

## **From the south via I-97 from Annapolis Area and Eastern Shore**

When approaching the beltway (I-695) take exit for Harbor Tunnel. After tunnel, get off at Pulaski Hwy. (Rt. 40 East)/ Erdman Avenue Exit. At end of exit ramp, go straight which will get you onto to Pulaski Hwy., Rt. 40 East. Exit right onto Moravia Road. Continue straight on Moravia. Do not take any of exits that you will see right after getting onto Moravia. (The distance to campus is about 3.5 miles.) You will go through major intersections at Belair Road and then at Harford Road. Moravia Road will become Cold Spring Lane at Harford Road. Cold Spring Lane goes through the middle of campus.

## **From Downtown Baltimore**

Go north on Charles Street. Pass Johns Hopkins' main campus on your left. At 33rd Street, make a right. Go past Johns Hopkins East and make a left onto Hillen Road. Go north on Hillen until you reach the campus.

## Directions to the Parking Garage

Please use #13 Student Center Garage. Parking is a maximum of \$3 per day.

### **From I-695**

- Take Exit 30A, Perring Parkway South. The Parkway name changes to Hillen Road. Continue to Cold Spring Ln.
- Turn Left on Cold Spring Lane.
- Go about 0.3 miles on Cold Spring Ln. East
- Turn Right to the first street (Stadium Way).
- Go to the second Stop Sign. Garage is located on the right.

### **From I-83**

- Take Cold Spring Lane (East) to the intersection of Cold Spring Lane and Hillen Road.
- Go about 0.3 miles on Cold Spring Ln. East.
- Turn Right to the first street (Stadium Way).
- Go to the second Stop Sign. Garage is located on the right.
